For

At Dartington we all agree to show respect and consideration to each other and care for our environment.

Parents and carers agree:

- We will make sure our children attend on time and regularly and provide an explanation if they have to be absent
- We will work with our children, supporting their reading and home learning as much as possible.
- We will work with school to benefit our children and share information about anything that might affect their learning or well being.
- We will ensure they have the correct items for school when they are little, but will encourage them to become independent, as they grow older
