

## ATTENDANCE POLICY

### 1. Aim

The aim of this attendance policy is to enable the school to provide a consistent practice that encourages and facilitates the regular attendance of all pupils. Regular attendance at school is key to steady pupil progress and enjoyment of learning, and for this reason the school is dedicated to ensuring its attendance policy is adhered to as much as is possible.

Dartington C of E Primary and Nursery School takes a whole-school approach to maintaining excellent attendance and it is the joint responsibility of parents, pupils, and all staff members to ensure that children are attending school as they should be. We endeavour to work with families to make sure that any problems or circumstances which may lead or be leading to poor attendance are given the right attention and appropriate support.

This policy is supported by our policies on **safeguarding, bullying, behaviour, and inclusive learning**.

### 2. Legal framework

**The Education Act 1996 states that:**

**The parent of every child of compulsory school age shall cause him/her to receive efficient full-time education suitable –**

- (a) to his/her age, ability and aptitude, and
- (b) to any special educational needs he/she may have,

either by regular attendance at school or otherwise.

**A person begins to be of compulsory school age –**

- (a) when he/she attains the age of five, if he/she attains that age on a prescribed day, and
- (b) otherwise at the beginning of the prescribed day next following his attaining that age.

*[Normally referred to as the start of the term following their 5<sup>th</sup> birthday]*

**Dartington C of E Primary School** is dedicated to complying with attendance laws set out by the legal framework and has set out this attendance policy accordingly.

### 3. Roles and responsibilities

#### Governing body

As part of our whole-school approach to maintaining high attendance, the governing body will:

- ensure that the importance of attendance is made clear by promoting the relevant school policies and guidance directed at parents and staff
- annually review the school's attendance policy and ensure that all provisions are in place to allow school staff, parents, and children to implement the policy effectively
- nominate or identify a member of the governing body who will take the lead role in monitoring attendance and coordinating provision and policies for attendance
- ensure that all legislation regarding attendance is complied with and that up-to-date guidelines are communicated to parents, children, and staff
- work out appropriate and accurate annual attendance numbers and future attendance targets,
- take time at governor's meetings to review and discuss attendance issues that have arisen in order to stay on top of expected attendance targets for the year
- ensure that the school is implementing effective means of recording attendance and organising that data, including for children who are educated off-site
- ensure that they are clear on how to analyse attendance data, including for vulnerable groups, and how to communicate the findings effectively to parents and staff
- use any data gathered to devise solutions to problems, make the proper adjustments to attendance coordination and target set for the future

- ensure that data is used within the school to measure the impact of strategies used to improve attendance.

### School leadership team

As part of our whole-school approach to maintaining high attendance, the school leadership team will:

- be active in their approach to promoting good attendance to pupils and their parents, which includes forming positive relationships with families
- ensure that the school's teaching and learning experiences encourage regular attendance and that pupils are taught the value of high attendance for their own progression and achievement
- coordinate with the governing body to monitor the implementation of the attendance policy and its effectiveness, with an annual full policy review
- ensure that all staff are up to date with the school's attendance policy and government legislation, and that staff are fully trained to recognise and deal with attendance issues
- ensure that government legislation on attendance is complied with and that they (the leadership team) are up to date with any legislation changes and how to implement them
- nominate or appoint a senior manager to take the responsibility of overseeing and monitoring attendance provision and that this person has sufficient time and resources to give to this job
- report to the governing body at least *each term* and the lead governor for attendance at least *half-termly* on attendance records, data and provision
- ensure that systems to record and report attendance data are in place and working effectively
- develop multi-agency relationships to help with poor attendance and support families who are having difficulties getting their child to attend
- document any specific interventions or steps taken to work with families to improve their child's attendance in case of future legal proceedings
- ensure that the local authority is informed in a timely manner if pupils cease to attend.

### Teachers and support staff

As part of our whole-school approach to maintaining high attendance, the school's teachers and support staff will:

- be active in their approach to promoting good attendance to pupils and their parents, which includes forming positive relationships with families
- ensure that the school's teaching and learning experiences encourage regular attendance and that pupils are taught the value of high attendance for their own personal progression and achievement
- ensure that they are fully aware and up to date with the school's attendance policy and government legislation and that they will speak to another member of staff or seek support if they are unsure how to deal with an attendance issue
- ensure that they are following the correct systems for recording attendance and that attendance is taken daily
- contribute to strategy meetings and interventions where they are needed
- work with external agencies to support pupils and their families who are struggling with regular attendance.

### Parents and carers

As part of our whole-school approach to maintaining high attendance, we request that parents:

- engage with their children's education and support their learning
- promote the value of good education and the importance of regular school attendance at home
- encourage and support their children's aspirations
- follow the set school procedure for reporting the absence of their child from school (**see section 4**), and include an expected date for return
- do everything they can to prevent unnecessary school absences, such as by making medical and dental appointments outside of school hours
- use the school as a support when they or their child are having difficulties, and work to form a positive relationship with the school so that there is easy communication when a problem arises

- keep the school informed of any circumstances which may affect their child's attendance
- enforce a regular routine at home in terms of homework, bedtime, etc. so that the child is used to consistency and the school day becomes part of that routine. It is vital that the child receives the same message at home as they do at school about the importance of attendance
- do not take their children out of school for holidays during term time. If parents would like to make a special request for this, they may do so to the Headteacher (**see section 4.6**)

## **Pupils**

As part of our whole-school approach to maintaining high attendance, we request that pupils:

- be aware of the school's attendance policy and when and what they are required to attend. This will be communicated to them through the school staff, parents, and the school timetable
- speak to their class teacher or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance
- attend ready to learn and on time
- follow the correct set school procedure if they arrive late (**see section 4.9**). This will help the school to monitor attendance and keep accurate records for the child's individual attendance, and is also vital for health and safety in the event of a school evacuation

## **4. Categories of absence and procedure for reporting absences**

Absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence is given to the school. Parents cannot authorise absences.

Staff should make it clear on the school register whether a child's absence is authorised or unauthorised.

When a child is to be absent from school without prior permission, parents should inform the school on the first day of absence and on every subsequent day of absence. Every day contact is part of safeguarding approaches.

Alternative arrangements will be made individually with non-English speaking parents or carers.

### **4.2 Illness**

Most cases of absence due to illness are short term, but parents will need to contact the school on *each day* of absence. Parents must report to the school the reason their child is absent in order for any absence to be authorised. For some pupils, where attendance has been low or where there have been frequent illness absences, medical evidence must be provided. Where medical evidence is not provided, illness absences will not be authorised by the school.

Medical evidence helps build a picture over time and might be in the form of an appointment card, print out of a call log to a surgery, a prescription paper or photograph of prescribed medicine.

Parents will be informed where medical evidence must be provided, for what period of time and if any absences are subsequently unauthorised.

### **4.3 Medical or dental appointments**

Parents should make every effort to ensure these appointments are made outside of school hours. Where it cannot be avoided, children should attend school for as much of that day as possible.

### **4.4 Authorised absences**

There may be some instances where the school will authorise unavoidable and exceptional absence such as for a family bereavement.

### **4.5 Exclusion**

External exclusion is treated as an authorised absence.

### **4.6 Absence in exceptional circumstances**

Parents should make every effort to ensure that family holidays and extended leave are arranged outside of school term time. The Headteacher has the discretion to grant leave, but they should only do so in exceptional circumstances. If the Headteacher grants a leave request, it will be for them to determine the length of time

that the child can be away from school. This leave is unlikely, however, to be granted for the purposes of a family holiday.

Parents can be fined for taking their child on holiday during term time without consent from the school. Retrospective applications will not be considered and this time taken will be processed as unauthorised absence. All requests for authorised absence will be responded to in writing.

When deciding whether to authorise absence, the Headteacher will consider if there are exceptional circumstances and if so, may then also take the following into account whether the absence falls within an assessment period.

If permission is not granted, but the child is still absent, the absence is classed as unauthorised and parents may be issued with a penalty notice.

#### **4.7 Religious observance**

Dartington C of E Primary School recognises that there may be times where children of different faiths observe religious festivals that fall outside of school holidays and weekends, and will allow authorised absence for these times.

Parents will be aware of these dates and should give the school notification in advance.

#### **4.8/4.9 Late arrival**

**Registration begins at 8.50 am for all classes other than for F2 (Reception) who begin at 8.45 am. Pupils who arrive after this time but within the registration period will be marked at late. The registration period ends at 9.10 am.** Any pupils arriving after 9.10 will receive a U code, which is an unauthorised absence.

Pupils who arrive after the registration period has ended must be signed in at to the school office. It is vital that pupils are signed in at the office to ensure that appropriate health and safety regulations are followed and that all pupils are accounted for.

Persistent lateness may result in disciplinary action.

#### **5. School action: following up absences**

Class registers are passed to the school office at the end of the registration period. Where there are unexplained or unauthorised absences, the school will contact the parents or carers, if they have not already made contact with the school.

If a pattern of unauthorised absences emerges, the school will contact the parent or carer to discuss possible reasons and school support systems that could help.

Where pupils have been away for either short or long term, the school will make every effort to support that child when they re-enter school to help them catch up on any learning that they have missed.

#### **Education Welfare Officer**

The school will work very closely with the Education Welfare Service to ensure all approaches to school attendance are rigorously applied and in line with the most up to date guidance, as well as to carry out any procedures or multi agency support.
